

Executive Leadership

Silver Tree Consulting & Services

TONY DOYE | *President*

Tony Doye is the President of Silver Tree Consulting & Services. He brings with him a wealth of experience spanning the IT services industry and corporate business disciplines. His diverse background and extensive expertise enable him to lead the growth and development of clients within the Mid-Market and Non-Profit sectors, a significant responsibility that has placed Silver Tree in a unique and invaluable position in the industry in bringing Enterprise scale and capabilities to NFPs and the Mid-Market.

Having previously held executive roles at Computer Sciences Corporation, Unisys, Fujitsu, and CompuCom, he took a new career step into non-profit leadership. Tony's return to the Silver Tree team marks a significant milestone in making a positive impact on non-profit organizations. His journey began at Girl Scouts of the USA (GSUSA), where he joined in 2014 as the interim Chief Information Officer, eventually taking on the role of Chief Operating Officer in April 2015. As COO, Tony spearheaded a team dedicated to enhancing role clarity, accountability, revenue diversification, fund development growth, customer experience, and the successful execution of strategic initiatives in GSUSA. He was subsequently interim COO at the National School Boards Association.

With over 25 years of management and customer service experience, Tony previously served as the CEO of CompuCom Systems, Inc., a prominent player in the IT outsourcing industry. As CEO, he provided strategic direction and shaped the company's mission of revolutionizing IT service delivery. Prior to his tenure at CompuCom, Tony held positions of President and CEO of Fujitsu North America, overseeing the North American outsourcing portfolio. Additionally, he served as the President of global outsourcing and managed services at Unisys Corporation, driving growth in the outsourcing and infrastructure service divisions. During his ten-year tenure at Computer Sciences Corporation (CSC), Tony held various leadership positions in IT services, IT outsourcing, application outsourcing, and consulting services.

Tony's career journey commenced at IBM, where he spent 20 years in diverse roles encompassing customer service, services management, and global project execution. He has supplemented his professional experience with valuable education, including completing the Stanford University Graduate School of Business Executive Program and participating in Cambridge University's management summer program for executives while employed at IBM.
